PRODUCT DESCRIPTION

A surface or recess mount 7W compact fluorescent puck that is available in white or black. GX53 lamp delivers even light distribution. Available as a single puck with switched cord and plug, a 2-puck kit with switched cord and plug, or a single puck 'accessory' with modular connectors.

PRODUCT SPECIFICATIONS

Construction:

Heat resistant plastic.

Electrical:

120V operation. Includes switched cord and plug (with the exception of CFL7-W and CFL7-B which is an accessory puck with modular connectors for adding additional pucks). Pre-installed GX53-7 CFL lamp that is easily replaceable. 8,000 hour estimated life.

Lamp:

GX53-7 4200K Twist-n-lock lamp.

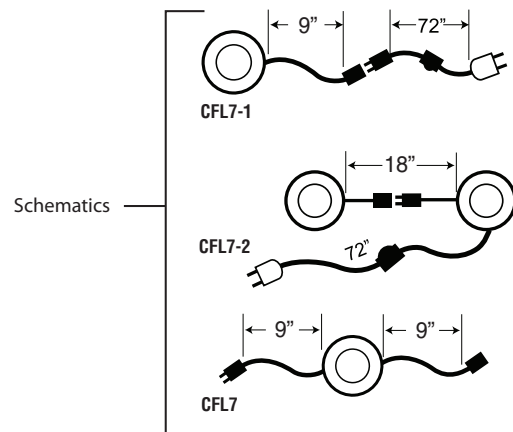

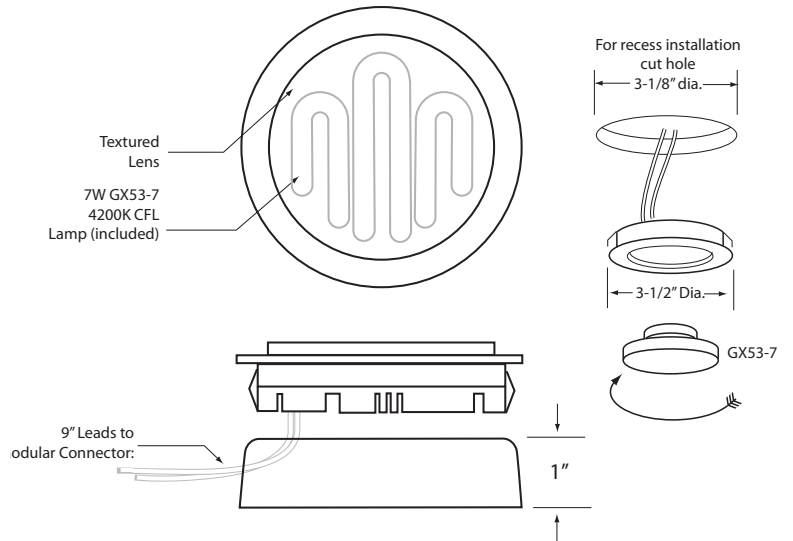

Dimming:

Product is not dimmable.

Mounting:

Puck can be surface or recessed mounted. Complete mounting hardware and instructions are included.

Label: UL listed. American Lighting Association.
